General Counsel

THROUGH: Deputy Director for Administration
Chief, Central Cover Staff, DO

The purpose of this request is to provide employment information for a civil suit against [redacted]. Our records also indicate that [redacted] former wife, [redacted] who has engaged the attorney and writer of this letter, has exposed [redacted] true employment previously, even to the extent of having a legal paper served at the C.I.A. Headquarters Building. At the same time, we are assured that our employee has not been responsible for exposing his true employment and that he has responded to each legal action pursued by his former wife, correctly and within the law. On the other hand, [redacted] as the former wife of two different covert employees of this Agency, should have been aware of the necessity to protect [redacted] covert status. Therefore, we believe that the Office of Security, with the assistance of the OGC, should contact [redacted] and her attorney and advise them that exposing [redacted] true employment to private and local governmental agencies could
